In team events, the entire team will be disqualified and forfeit any winnings. CSR will be used to determine eligibility in all events.

CHILDREN: The host venue is responsible for our event's liquor license and security. It is their prerogative to decide the liquor, cannabis, and age policies. For the 2026 WCVNEA tournament, children under the age of 18 may not be allowed in the Event Center and Ball Rooms where matches take place. As there is a casino on site there are further restrictions in other parts of the complex.

DRESS CODE: This policy ensures that all participants maintain a neat and respectful appearance during competitions. Here are the key points:

- No halter tops, midriffs, tank tops, mini-skirts, or cut-offs (shorts must be hemmed and mid-thigh).
- Shirts must have sleeves.
- No suggestive attire.
- No ripped, torn, or stained clothing.
- Footwear is mandatory.
- Participants must present themselves neatly and cleanly.
- Dress code is enforced during all competitions, including mini tournaments.
- 15 minutes will be given to change into appropriate attire.

RULE AND GUIDELINES: The governing rules of play are detailed in the 2025-2026 VNEA rule booklet and will be strictly adhered to along with the following:

8-BALL TEAM FORMAT:

1. The 25-game format will be used in the Open Advanced and Masters 8-Ball team.
2. The 20-game format will be used in the Open Intermediate event.
3. The 16-game format will be used in the Open Regular and Ladies Regular 8- Ball team events.

The team with the most points at the end of the match will be declared the winner. If there is a tie in the total points, the teams will play another round, using the same roster as the last round. The team with the most points in the tie breaking round wins the match. Flip for the first break and alternate thereafter.

SUBSTITUTION RULE A team may substitute during a match if the following criteria are met

1. The opposing team captain must be notified before the start of the round in which the substitution is being made.
2. A player may not play an opposing team player more than once.
3. Once that player has played, he/she must keep that same position unless removed for a complete round and reinstated in a later round. Once a round has begun, no line-up changes may be made.

DETERMINING THE BREAK: Team captains will flip a coin prior to making the line-up. The winner of the coin toss has a choice of being home or visiting team. Teams must fill out the score- sheet completely. The teams will then break in accordance with the score sheet. The order of the teams on compusport can be changed by going into options-flip home and away.

ELECTRONIC DEVICES: The use of a cell is not allowed while in a game (e.g.: answering a call or viewing a text). 1st offence is a warning to the player; a second infraction will be an Unsportsmanlike conduct given to the player.

SMARTPHONES: These have become a valuable tool in helping Referee's determine close hits at the local and regional levels in the last few years. At this WCVNEA, players may use their devices as an alternative to calling a Referee. If you decide to referee a shot yourself the shooting teams Team Captains or a designated player act as referee. If the acting referee cannot make the call, then the video can be used.

Tips for Effective Video Review:

- **Position the camera** to get a clear view of the shot.
- **Ensure recording is active** before the shot is taken.
- **Do not watch the screen** during the shot—observe the play directly.
- If you are uncertain, **review the video** immediately after the shot and before making your call.

START OF MATCH: All matches will start at the posted time if the assigned tables are available. If player/players are absent, the match must still begin, and the absent player/ players will have until the end of that round to show up. If they are not there by the end of the round, the absent player/players will lose that game 10-0. This rule is the same for all rounds.

FORFEITS: If no team members are available 20 minutes after their posted match time, the team will be forfeited. Tournament Committee will decide forfeits. However, if enough team members (1), but less than the full team, are available when the match is called, then those present must begin shooting (See 10-15-20 Rule for full details).

SLOW PLAY RULE: Exaggerated slow play will be penalized. After a warning, any longer than ONE MINUTE between shots will be a foul. The third infraction will result in loss of game. Both teams/players will be timed.

PRACTICE: Teams may not practice during a match. A warning shall be issued, then an Unsportsmanlike Conduct, and loss of next game.

PLAYER STATUS: Based on CSR

PROTEST PROCEDURE The protesting team or person will be required to deposit \$50 with tournament officials. If protesters are correct in their protest, they will be refunded their deposit, and the tournament officials will take proper measures in dealing with the situation. If the protest is declined, they will forfeit their deposit. Deposits will go into the general fund of the WCVNEA.
