

RED DEER JUNIORS VNEA LEAGUE

Welcome to the juniors league. This is a VNEA sanctioned event. I'm going to pay a portion of your sanction fee so it will be \$20 per player for the sanction fee. I will also cover the Compusport fees. Weekly fees will be \$5 per match so \$10 every second Sunday. 100% of the weekly fees will be paid back at the end of season tournament. The season starts on October 19 and will end Dec 14 running every second Sunday. The end of season tournament will be round robin and it will be three matches on January 4 and 2 matches on January 11 with the windup right after.

At least one of your players must have the Compusport app on their phone. This is how you will be scorekeeping. So before you start your match, get a money envelope from the counter and deposit the players money from both teams into the envelope and put the teams names on and hand into the counter. Then you will start your match. It will be a 9 game format, so that means you will play each of the players on the opposing team once. When your match is over then you will repeat what you did before the first match and you will be playing a different team. So 2 matches every second Sunday. If you want to familiarize yourself with the rules, go to VNEA.com and click on 8 ball rules.

There will be some coaches (Parents) to help you with any problems that arise. The schedule will be on line on our website www.johnsvending.ca. This will also where you will find your weekly stats.

The 2026 VNEA Junior Championships are held July 23-26 in Nebraska which you are all eligible for.

DON'T FORGET TO HAVE FUN. THAT IS WHAT POOL IS ALL ABOUT.
HAVE A GOOD SEASON
